

# 1<sup>ST</sup> RUN PATCH!

**Nellis Cadet Squadron, Civil Air Patrol,  
is selling a first-run squadron patch to collectors,  
historians and CAP members.**

Nellis Cadet Squadron was founded 3 years ago and remains the **only cadet squadron** in Nevada Wing.

Nellis Cadet Squadron was recognized as a **Civil Air Patrol Squadron of Distinction** in 2001.  
Nellis Cadet Squadron is also dual-chartered as a **BSA Venture Scout Crew**.

**The first run of 100 has been ordered and  
will soon be available on a first-come, first-served basis!**

Along with your patch, you will receive a certificate of authenticity hand-numbered and signed by the designer. The reverse side of the certificate will list the symbology and history of the design.

**Orders must be placed directly with the Squadron Commander, LtCol David Jadwin.**  
Contact him in person or by e-mail at [david.jadwin@nvwg.cap.gov](mailto:david.jadwin@nvwg.cap.gov).

While orders will be accepted by e-mail, the order will be 'official' when payment has been received.  
Requests, and your position for the numbered certificate, will be held for 7 days for payment.  
After that time, later orders that have paid will "move up" the list to claim a lower number.

**All orders will be confirmed by e-mail.**

You will be informed of your pending position and all changes thereafter until your final position is set.  
You will also receive a confirmation when the patch and certificate have been mailed.

***Nellis Cadet Squadron is a unit of Civil Air Patrol, a non-profit, 501(c)3 corporation.***

***Your \$10 donation for the patch is fully-tax deductible.***

***All proceeds will go directly to the Nellis Cadet Squadron youth program.***

The patch design, approval process and confirmation has created a LOT of excitement.
